WORK EXPERIENCE

SITP – Cyber Security Manager - 19 Oct 2023 to At Presence

I lead IT Cyber Security Operations for SITP with a team of 12 members. I handle daily operations and maintenance, manage budgets, and take care of IT assets and software licenses while coordinating with vendors. I manage incident response, change processes, monitoring alerts from SIEM and vendor-led vulnerability and application testing, including closing security findings. I also oversee IT operations across India and the US, ensuring all services meet SLA requirements. My responsibilities include increase user awareness, Provide training sessions, managing network security, conducting regular audits for compliance and governance, and improving user satisfaction through structured feedback.

Reliance Industries Ltd – 20 July 2015 to 18 Oct 2023 – 8 Years - Senior Manager – Jamnagar & Dahej Site

Managed end-to-end IT operations including network, IRM, endpoint systems, audits, and Multimedia across multiple Reliance entities. Led infrastructure setup for Dahej D2 site and JIO FTTH rollout in Dwarka. Oversaw Multimedia and EUSS management, and IT assignments for J3 Plan at Jamnagar Refinery. Held progressive roles from IT Executive to Senior Manager over 8+ years, driving strategic IT initiatives across key industrial sites.

Microlink Solution Pvt Ltd - AV Support Engineer

7 July 2014 – 19 July 2015

Led initiatives with day-to-day operational issue resolution as a Resident Engineer at Reliance Industries, Jamnagar.

Sai InfoSystems Pvt Ltd - Sr. Technical Support Engineer

3 Aug 2009 – 30 June 2014

Configured IT networks and installed Cyberoam Firewall, HP Smart Switch, and Wi-Fi devices. Conducted site visits to resolve IT tickets related to desktops, laptops, printers, and network issues for clients.
